YPI

All second year pupils take part in the YPI programme. The Youth Philanthropy Initiative programme sets out to give young people the chance to develop citizenship and employability skills through researching social issues which affect their local area. The pupils then create a presentation on the social issues they have investigated and include a local charity they have identified that aims to that tackle the issue with the hope of winning a £3000 unrestricted grant for their represented charity which is donated by the Wood Foundation and Northwood Charitable Trust . The 200 plus S2 pupils involved have represented over 50 different charities in the hope of winning them a £3000 funding grant.

The final was held on Wednesday 23rd of May with judges Kevin Cordell, DCC Councillor Ferry Ward, Carla Barbour, Grove Academy DHT, Blair Thomson, Northwood Charitable Trust and Clare Jefferson, Grove Academy Parent Council.

Seven groups made it to the final, representing seven fantastic and worthwhile charities:
