

Dear Parent/Carer

**RE: S3 to S4 Course Choice Preparation**

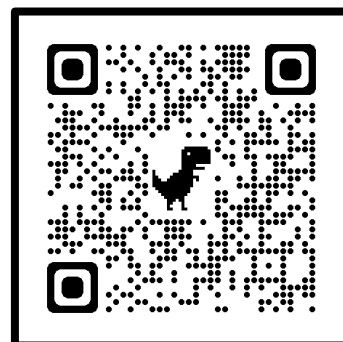

As part of preparing for making their course choice, our learners spend time during their Personal and Social Education lessons looking at a variety of resources to help them make informed choices for their future.

We are asking that parents/carers support this by also looking at information with their child at home to ensure that they, along with their children, are aware of topics being covered in subject areas, progression routes from those subjects and potential career pathways.

You can also scan the QR code with a mobile device:

The **S3-4 Course Choice Pathways Information Evening** is an opportunity to discuss subject choices with department staff and pupil ambassadors on **Thursday 12<sup>th</sup> January 2023 in Grove Academy.**

The expectation of the process is as follows:

1. Your child completes their subject choice MS Form via the link (or paper form).
2. They have made the most appropriate choices for their career pathway.
3. There will be **no** changing choices once the completed form is handed in by the deadline.
4. One subject will be dropped as your child progresses from S3 into S4.

Yours sincerely

Grove Academy Guidance Team
