Dear Sir or Madam

### Claypotts Road – East Footway Resurfacing

I wish to notify you that work is programmed to commence at the above location on Monday 20<sup>th</sup> of June 2022, lasting for approximately 4 weeks. The main contractor for the works is Tayside Contracts.

To minimise disruption these works will be carried out in two separate phases. Phase 1 will be from opposite 17a Claypotts Road to Ferndale Drive & Phase 2 works will be from 12 Claypotts Road to 5 Queen Street.

Access for businesses and residents will be maintained where possible, although we ask for vehicular traffic movements to be kept to a minimum. Some delays may be encountered during some phases of the works. Parking will be suspended on both sides of the street for the duration of the works.

Please accept my apologies for any disruption these essential works may cause. I am sure that you will understand that major maintenance work is unavoidable and necessitates a degree of inconvenience to pedestrians and road users.

Please note that pedestrian thoroughfare will be maintained throughout the works. However, we will be practicing Physical Distancing on our site and ask that you avoid the construction site wherever possible.

If you have any queries regarding this matter, please contact Mr Bowman, by telephoning 01382 433275.

Yours faithfully

Alan Bowman  
Senior Engineer
