Dear Sir or Madam

**Claypotts Road (Arbroath Road to Queen Street) - Carriageway Reconstruction Work**

I wish to notify you that work is programmed to commence at the above location on Monday 14 January 2019 and will last for approximately 5 weeks.

The works will be carried out in 2 phases to minimise disruption and maintain safe vehicular access where possible. In the interests of public safety, road closures will be implemented, with traffic restrictions as follows.

Phase 1, Claypotts Road will be closed on 14th January between Queen Street and Victoria Road for approximately 4 weeks.

Traffic will be diverted via Queen Street, Victoria Road and reverse.

Phase 2, Claypotts Road will commence on completion of Phase 1 and will be closed between Arbroath Road and Victoria Road for approximately 1 week.

Traffic will be diverted via Arbroath Road, Balgillo Road, Ballinard Road and reverse.

On-street parking will not be allowed on the section of carriageway being worked on. Access for businesses/residents will be maintained where possible, though delays will be experienced. We would, however, ask that vehicular traffic movements be kept to a minimum during the works, in the interest of public safety.

Bus services will be affected by this closure and I would advise bus passengers to visit [www.dundeetravelinfo.com](http://www.dundeetravelinfo.com), or telephone the bus operator for further details of diversion routes and alternative bus stops.

Please note that pedestrian thoroughfare will be maintained throughout the works.

Recycled Paper

Please accept my apologies for any disruption these works may cause. I am sure that you will understand that major road maintenance work is unavoidable and necessitates a degree of inconvenience to road users.

If you have any queries regarding this matter, please contact Mr S. Christie, Senior Engineer, Roads Maintenance Partnership, by telephoning 01382 834136.

Yours faithfully

Sandy Christie  
Senior Engineer - Roads Maintenance Partnership
