

S3 masterclass rota- parental information.

Mondays periods 4 & 5 Mondays, 27th August- 1st October.

Pupils in S3 will participate, over the year, in a number of projects as part of their S3 curriculum every Monday periods 4 & 5. This opportunity will enable pupils to develop their skills for learning, life and work. This is part of our curriculum at Grove Academy and is a key aspect of Curriculum for Excellence.

As part of this programme pupils will be involved in visits to either Dundee & Angus College to take in part activities related to either the construction industry or hospitality sector. In addition, some pupils will be involved in work with Dundee Football Club at Dens Park Stadium.

Pupils attend these activities in their practical sets and will be transported to the College or Dens Park Stadium by coach supervised by school staff. Pupils will return by the end of period 5 (start of lunchtime).

Please see below for practical sets involved for this rota
